

29<sup>th</sup> June 2022

To,  
The Chief Justice of India,  
Supreme Court of India.

**SUBJECT: SUPREME COURT SHOULD SUO MOTU CLARIFY THAT ITS JUDGMENT IN THE ZAKIA JAFFREY CASE WAS NOT INTENDED TO HAVE ANY ADVERSE CONSEQUENCES WHATSOEVER ON TEESTA SETALVAD, R.B. SREEKUMAR, AND OTHERS.**

We the undersigned persons committed to the rule of law, express our deep distress at the imprisonment yesterday of Teesta Setalvad, RB Sreekumar, and others. They are being hounded because they chose to pursue justice for the over 2000 people who were killed in Gujarat in February 2002.

We must express our agony that the state police justify the arrests on the basis of the Supreme Court's judgment dated 24th June 2022, in the Zakia Jaffrey case.

The Supreme Court judgment in pertinent part reads:

*"... At the end of the day, it appears to us that a coalesced effort of the disgruntled officials of the State of Gujarat along with others was to create sensation by making revelations which were false to their own knowledge. The falsity of their claims had been fully exposed by the SIT after a thorough investigation. Intriguingly, the present proceedings have been pursued for last 16 years (from submission of complaint dated 8.6.2006 running into 67 pages and then by filing protest petition dated 15.4.2013 running into 514 pages) including with the audacity to question the integrity of every functionary involved in the process of exposing the devious stratagem adopted (to*

*borrow the submission of learned counsel for the SIT), to keep the pot boiling, obviously, for ulterior design. As a matter of fact, all those involved in such abuse of process, need to be in the dock and proceeded with in accordance with law." [Emphasis supplied]*

The said paragraph, in our view, was not intended to have any legal consequence whatsoever. It is settled law, that any adverse action against a person can be commenced only after giving due notice. The court has neither issued notice of perjury nor contempt, to anyone in these proceedings. In fact, the court has issued no specific notice whatsoever, warning of any adverse consequences.

We are perplexed by the statement, "Intriguingly, the present proceedings have been pursued for last 16 years." The Supreme Court itself ordered an investigation by a Special Investigation Team. After the SIT report, the court also requested an amicus curiae to submit a report in the matter. Then the court in 2013, sent both reports of the SIT and the Amicus curiae, to the magistrate to proceed further in accordance with the law. The matter then traveled up the appellate process till this judgment in 2022. The petitioners or people assisting them, can in no way be blamed for the passage of time, in the law's delay.

Subsequent to the Jaffri judgment, in a media interview, the home minister of the country, chose to comment on the court's observations, in a manner calculated to cause arrests by the Gujarat police.

This sequence of events has sent a chilling message for the practice of law in the courts and for the rule of law in the country. It appears that a petitioner or a witness, who diligently pursues a cause in the courts, runs a risk of being "put in the dock" if the court deems the cause as devoid of merits.

We refuse to believe that our Supreme Court really intended, to sanction in advance, the course of retribution that the current government has chosen to pursue. Even during the emergency, the Supreme Court did not imprison those who sought to use legal processes, by appealing to it. The court may have failed to stand up for the citizen in ADM Jabalpur, but it did not kick down those who chose to fight for citizens' causes in court.

We call upon the court, to suo-motu clarify that the above-quoted paragraph in its judgment, was not intended to have any adverse consequences whatsoever. The absence of such clarification may lead to further consequences when bail is sought, by those whom we believe to have been unjustly imprisoned.
