AJAY TEWARI, J.

By way of present judgment, we intend to dispose off above said six writ petitions as common question of law and facts are involved therein. For the sake of convenience, facts are being taken from CWP-26420-2021.

2. The petitioners have challenged the result of the preliminary examination of the HCS (Judicial Branch) Examination 2020-21 for the post of Civil Judge (Junior Division) held on 13.11.2021 (Annexure P-10).

3. While issuing notice of motion vide order dated 14.01.2022, this Court observed:-

“In this case, the petitioners have challenged among others the following question which appeared in the Preliminary Exam for the post of Civil Judge (Junior Division) in the Haryana Civil Services (Judicial Branch) :-

Q.104. A beats his wife. She fell down and became unconscious. Believing her to be dead and to save himself from being arrested for murder. 'A' hanged her from the fan with a rope. Postmortem report disclosed her death by hanging. A is liable for

- A) Murder
 - B) Culpable Homicide
 - C) Hurt
 - D) Grievous Hurt
- Proposed Answer is **B**
Revised Answer is **A**
Correct Answer should be **B**

By judgments passed by this Court in *Penaaz Dhillon Vs. State of Haryana and others, CWP No.698 of 2022, decided on 14.01.2022, Shantanu Singh Batra Vs. State of Haryana and others, CWP No.26415 of 2021, decided on 14.01.2022 and Amardeep Singh Sandhu Vs. State of Haryana and others, CWP No.25977 of 2021, decided on 20.12.2021* this Court has rejected petitions of this nature by a detailed order. However, in this case there is a peculiar twist. The question which is now been challenged had earlier been set in the examination for the Suitability Test of the then available vacancies of Additional District & Sessions Judges in the State of Haryana by promotion and on that occasion the answer which has now been suggested by the petitioner was treated as the correct answer. Thus notice of motion is being issued only to maintain uniformity.”

4. While reiterating the settled proposition of law that the cases wherein challenge has been laid to the answer key, the writ Court is only to see whether the process of selection is fair and above board, we find that consistency at the end of examining body is also one of the facets of fairness. The Court is duty bound to see that the procedure adopted in evaluation of the answer scripts is not arbitrary, unreasonable and inconsistent. Once the examining body has held 'B' to be the correct answer to the afore-reproduced question in earlier exam, the same examining body cannot be allowed to change the answer in the subsequent exam in the absence of a legally sustainable explanation.
